Kalemera, Eleni/Stelios/George,

Hello from your friends in Scotland, how are you all keeping, have not heard from you for some time so wondering if you are OK,

How is my friend Stelios? hope is finding something to do? Any news from the French we have "E" mailed them but they do not respond ?

Have also not heard anything from Sissy maybe she is too busy with chasing crooks? I know two in Kissamos who we might see on December 14th?

Lets know how you are,

Lv Tish & John

Eleni ***** Kalimera we are all right. Busy !!!!! (hotel, George and Stelios work). that's why you didn't hear from us for a long time. We had baptism George also on Saturday and we had 120 guests in our home. I had no news from the French. Odile told me that they didn't sell their house yet. I was in Kissamos last week and I saw your <friends>office closed. I don't know if he moved somewhere else or he closed his business...
